Greg,

Thanks so much for the great work and flawless transaction at [REDACTED] Street NW. Despite the listing not being in MLS, and any initial hesitations with no seller side agent, the deal was incredibly smooth. Your attention to detail and fantastic communication went above and beyond what I see from many agents, and my client got a wonderful deal.

Please keep us in mind for future sales with similar profit margins. My client and my team would not hesitate one iota to work with you again.

All the best,

Ty
